

Lesson Plan

Rajiv Gandhi Govt. College for Women, Bhiwani

Department of Economics,

Paper: Micro Economics

Class and Session: B.A I

Name of the Assistant /Associate Professor: Naveender Kumar

Date, Week, Month	Chapter and Topic
Week: <u>Sep 2022</u>	<u>Scarcity :- functions of an Economic System</u> <u>The problem of Allocation of Resources</u> <u>production possibility Curve and Central problem</u> <u>Capitalism:- features, Merits, Demerits</u> <u>Socialist:- features, Merits, Demerits</u> <u>Mixed Economy:- features Merits, Demerits</u> <u>Re capitulation</u>
Week: <u>Sep 2022</u>	<u>Micro Economics:- Scope, Important and its uses</u> <u>Macro Economics:- Scope, Important and its uses</u> <u>Relation between Micro and Macro Economics</u> <u>Test</u>
Week: <u>Sep 2022</u>	<u>Define Demand and its Determinants</u> <u>Why Does Demand Curve Slope Downward?</u> <u>Define Elasticity of Demand and its Measurement.</u> <u>Importance of price elasticity of Demand.</u> <u>Recapitulation</u>
Week: <u>Sep 2022</u>	<u>Define Utility and its Types</u> <u>Define Cardinal Utility Analysis</u> <u>Explain the Law of Diminishing Marginal Utility.</u> <u>Explain the Law of Equi-Marginal Utility</u> <u>Recapitulation</u>
Week: <u>Oct 2022</u>	<u>Define Ordinal Utility Analysis</u> <u>What is Indifference Curve its assumptions and properties of Indifference Curve.</u> <u>Define Budget Line and properties of Budget line</u> <u>Test</u>
Week: <u>Oct 2022</u>	<u>Explain Consumer Equilibrium in Two Basic Conditions</u> <u>Define Substitution Effect</u>

	Define Price Consumption Curve and Derivation of Demand Curve through Indifference Curve
	Test
Week: Oct 2022	Define Income Consumption Curve : Slope of the Curve Limitations of Utility Theory of Demand Income Consumption Curve and Given Goods Recapitulation.
Week: Oct 2022	
	Vacation (Diwali)
Week: Nov 2022	Define Market Sector Organisation Define Non-Market Sector Organisation Explain Multinational Corporations - (MNCs) and its functions
Week: Nov 2022	Transnational Corporation/Control of Economic Power Define Production function Explain Law of Variable Proportions Explain the returns to Scale: Increasing, Diminishing and constant Recapitulation Test
Week: Nov 2022	Explain the Internal and External Economies? Diseconomies of Scale & Causes of Diminishing Returns. Recapitulation Test
Week: Nov 2022	Define Iso-quant Curve Slope of Iso-quant Curve and Marginal Rate of Technical Substitution. Define Iso-cost Line Characteristics or Properties of Iso-quant Curves.
Week: Dec-2022	Explain the producer Equilibrium? Define Ridge Lines

	Explain Iso quant Curves and Returns to scale Iso-quant Curve and Returns to a factor Recapitulation
Week: Dec-2022	Define Supply and Determinants of Supply w Supply function. Define price elasticity of Demand factors Influencing Elasticity of Dema Supply Recapitulation
Week: Dec-2022	Define Cost and Explain All Types of Cost Explain the Traditional and Modern Theory of Cost. Define Break Even point and its Methods Recapitulation
Week: Dec-2022	Explain Advantages and Limitations of Break Even Analysis. Exam
Week:	
Week	
Week:	

Lesson Plan

Rajiv Gandhi Govt. College for Women, Bhiwani

Department of Economics,

Paper: Macro Economics

Class and Session: B.A. II

Name of the Assistant / Associate Professor: Narendra Kumar

Date, Week, Month	Chapter and Topic
Week: <u>Sep 2022</u>	<u>Define Macro Economics</u>
	<u>Explain the features and scope of Macro Economics</u>
	<u>Explain the Difference Between Micro and Macro Economics</u>
	<u>do</u>
	<u>Recapitulation</u>
Week: <u>Sep 2022</u>	<u>Explain the main problem</u>
	<u>problems in the study of Macro Economics</u>
	<u>do</u>
	<u>do</u>
	<u>do</u>
Week: <u>Sep 2022</u>	<u>Test</u>
	<u>Define GDP</u>
	<u>Explain the Difference between Intermediate goods and final goods</u>
	<u>Define the National Income Accounting</u>
	<u>Recapitulation</u>
Week: <u>Sep 2022</u>	<u>Define National Income</u>
	<u>Explain the All Measurements of National Income</u>
	<u>Value Added Method</u>
	<u>Income Method</u>
	<u>Expenditure Method</u>
	<u>Test</u>
Week: <u>Oct 2022</u>	<u>Define the Central statistical organisation</u>
	<u>Explain the All functions of central statistical organisation</u>
	<u>Explain the National Income Measurement Through CSO</u>
Week: <u>Oct 2022</u>	<u>Define Actual GDP</u>
	<u>Define the potential GDP</u>
	<u>do</u>

	do
	do
Week: Oct 2022	<p>Recapitulation</p> <p>Define Consumption.</p> <p>Explain the concept of MPC and APC</p> <p>Explain the All Determinate Economic Determinate Non-Economic Determinate Test</p>
Week: Oct 2022	
	Vacation (Diwali)
Week: Nov 2022	<p>Define Investment</p> <p>Explain the All Types of Investment</p> <p>Explain the All Factors affected to Investment</p>
	do
Week: Nov 2022	<p>Recapitulation</p> <p>Define MEC</p> <p>Explain the All Short Run and Long Run factors are affected to MEC</p>
	do
Week: Nov 2022	<p>Test</p> <p>Define Economy</p> <p>Explain the Determination of Equilibrium GDP in Two Sector Model</p>
	do
	do
Week: Nov 2022	<p>Recapitulation</p> <p>Define Multiplier.</p> <p>Explain the Working (Forward Action and Backward Action) of Multiplier with the help of Diagram</p>
	Test
Week: Dec 2022	<p>Define Three Sector Economy</p>

Lesson Plan

Rajiv Gandhi Govt. College for Women, Bhiwani

Department of Economics,

Paper: Development Economics (With special Reference to India)

Class and Session: B.A. III

Name of the Assistant / Associate Professor: Narender Kumar

Date, Week, Month	Chapter and Topic
Week: <u>Sep 2022</u>	<p>Define Under-Developed Countries. Explain the All features of Under-Developed Countries. Define Economic Growth and Development and Difference in Economic Growth and Development. Test</p>
Week: <u>Sep 2022</u>	<p>Define Economic Development. Explain the Economic and Non-Economic Determinants of Economic Development. do Recapitulation Test</p>
Week: <u>Sep 2022</u>	<p>Explain the Economic Development its Measurement through PQLI Method. Explain the Measurement of H.D.I. Explain the Measurement of National Income. Test</p>
Week: <u>Sep 2022</u>	<p>Define Economic Development. Explain all obstacles of Economic Development. do Recapitulation</p>
Week: <u>Oct 2022</u>	<p>Define Vicious Circle of Poverty. Explain the All Demand Side Supply Side and Backwardness Vicious Circle of poverty and its Criticism. Test</p>
Week: <u>Oct 2022</u>	<p>Define Economic planning. Explain the Merits and Demerits of Economic planning.</p>

		Explain the New Economic policy liberalization, Privatisation, Globalisation
Week:	Oct 2022	Recapitulation Explain the Globalization policy its merits and Demerits for Economy
		do
		do
		Recapitulation
		Test
Week:	Oct 2022	
		Vacation (Diwali)
Week:	Nov. 2022	Define Economic Development Explain the Harrod Growth Model and its criticism Explain the Domar Growth Model
		Test
Week:	Nov. 2022	Explain the Endogenous Growth Model
		do
		do
		Recapitulation
		Test
Week:	Nov. 2022	Define Balance Growth Explain the Balanced Growth Model and its criticism.
		do
		do
		Recapitulation
Week:	Nov. 2022	Define Unbalanced Growth Explain the Unbalanced Growth Model with the help of Diagram
		do
Week:	Dec. 2022	Explain the Unbalanced Growth Model

Lesson Plan

Rajiv Gandhi Govt. College for Women, Bhiwani

Department of Economics,

Paper: *Business Economics*

Class and Session: *B.Com.I*

Name of the Assistant / Associate Professor: *Naren der. Kumar*

Date, Week, Month	Chapter and Topic
Week: <i>Sep 2022</i>	<p>Define Economy?</p> <p>What is an Economic Problem.</p> <p>Causes of Economic Problem.</p> <p>Explain the Basic Problem of an Economic System.</p> <p>Production possibility Curve and its Solution</p> <p>Recapitulation</p>
Week: <i>Sep 2022</i>	<p>Define price Mechanism?</p> <p>Explain Working of Price Mechanism?</p> <p>Define Demand and Law of Demand</p> <p>Explain Determinants of Demand</p> <p>Why does Demand Curve Slope Downward?</p> <p>Explain to the Exceptional Demand Curve</p>
Week: <i>Sep 2022</i>	<p>Define elasticity of Demand?</p> <p>and its Measurement</p> <p>Define Cross and Income elasticity of Demand</p> <p>Explain the Managerial Uses of price elasticity of Demand?</p> <p>Explain the Advertising elasticity of Demand</p> <p>Factors Affecting Advertising Elasticity of Demand</p>
Week: <i>Sep 2022</i>	<p>Concept of Supply and its Determinants</p> <p>Explain Extension / Constriction and Increase and Decrease in Supply</p> <p>Explain the price Elasticity of Supply</p> <p>Factors Influencing elasticity of Supply</p> <p>Test</p>
Week: <i>Oct 2022</i>	<p>Define Production function</p> <p>Explain the Law of Variable proportions</p> <p>Explain the Returns to Scale</p> <p>Increasing / Constant / Diminishing Returns to scale</p> <p>Causes of Increasing Returns to Scale</p> <p>Recapitulation</p> <p>Test</p>
Week: <i>Oct 2022</i>	<p>Define the Internal and External Economies and its All Types</p> <p>Diseconomies of Scale or</p>

	Causes of Diminishing Returns do Test
Week: Oct 2022	Define Isoquant Curve and its properties Explain the producer Equilibrium or Least Cost Combination of factors Define Cost and its Classification Explain the traditional and Modern Theory of Cost. Recapitulation
Week: Oct 2022	
	Vacation (Diwali)
Week: Nov. 2022	Define the Cardinal Utility Analysis Explain Utility and its Types Explain the Law of Diminishing Marginal Utility Its Exceptions and Causes of its Applications Recapitulation
Week: Nov. 2022	Explain the Law of Equi- Marginal Utility Analysis its importance and criticisms. What is Consumer Equilibrium?
Week: Nov. 2022	Determination of Consumer's Equilibrium. Define ordinal Utility Analysis Define Diminishing Marginal Rate of Substitution What is Indifference Curve? and Explain its properties.
Week: Nov. 2022	Define Budget Line and its shifting Explain the Consumer Equilibrium through Indifference Curve in Two Conditions Test
Week: Dec. 2022	What is Market and its features Explain the main forms of Market Structure
